1. MEMORANDUM OF UNDERSTANDING 8-27-09.

Issue: Can management add 8 hours to an ODL'S total concerning equitable distribution of overtime if the ODL requests not to work their N/S day and the request is granted by management?

Answer: Yes. But, only if management gets a signed statement from the ODL stating that they were excused from overtime on their N/S day and that would count as 8 hours towards equitable distribution of overtime.
