The Committee of President's meeting was held in the great city of New Orleans, Louisiana. We thank branch 124 for their good work and hospitality.

An item was raised concerning the amount of time our national Union president, Fred Rolando, should stay for the meetings. It was discussed at length, and it was nearly unanimous that the presidents want Fred Rolando present at the Committee of President's meetings for every single minute!

As usual, these are the best meetings. Fred Rolando was complimented for the great job he did in presiding over the National Convention. It was stated that Fred brought more democracy to the National Convention and his sense of humor made the delegates feel comfortable. Fred even received a hip, hip hooray from the Committee of President's!

Agenda items discussed included; FSS, excessing, mandatory overtime, staffing shortages, escalating remedies for NON-ODL's for Article 8.5G violations, JARAP and the Issue Resolution process, PTF's not being promoted, reasonable timelines for withholding, falsification of clockrings, National Reassessment Process (NRP), the vote of NO CONFIDENCE IN PMG Potter at our National Convention, COR adjustments, Article 41 Section 3 "O", increased discipline, artificial undertime, etc.

Step B representatives, Tonya Detrick and Annette Taylor were recognized from the microphone for the outstanding job they are doing!
